Program Description

Our program provides small group and one-on-one tutoring in reading and math by effective, certified teachers as well as college tutor-mentors that have a passion for educating and improving the lives of children. When you bring your child in for a session, you'll see the constant encouragement and positive reinforcement that our educators have. You can be assured that your child's tutor is professional, caring, and qualified to raise your child's achievement in both reading and math.
